ALL OVER THE STATE.
—The largest Public School war-
rant ever issued against the Treas-
ury will be the first installment,
\$880,000, on Oct. 1.

—Last morning the State sued the
Mason & Board Company for \$94,
000 claimed to be due from the
company as prison lessees. The
court threw out claims of the State
to the amount of \$32,000. The
court referred the balance of the
claims to Master Commissioner
Posey for adjustment. Posey re-
ports that, instead of the company
owing the State, the State owes
the company \$12,234. The matter
will go through all the courts for
final settlement.

—Alvin M. Bowling, formerly of
Rowan county, is serving a 21-year
term in the penitentiary, for kill-
ing John Gill several years ago
while Bowling was resisting arrest
by the officers in Mt. Sterling.
Governor Brown last week refused
to pardon him upon petition, and
in part said:

"There is nothing whatever in
the case commending it to the ex-
ecutive clemency. Such a man
should not be turned loose upon
any community. Notwithstanding
that very strong appeals have been
made to me to pardon him, I feel
that it would be an inexcusable
abuse of the power lodged in my
hands by the Constitution to dis-
turb the judgment of the court.
I decline to interfere."

It may be regarded as an assur-
ed fact that the delegates to the
Pan American Congress at Wash-
ington who travel over the Ches-
apeake & Ohio Railway will, with one
accord, praise its scenery and train
service. There is nothing in the
way of lovely mountain views and
picturesque valleys to compare
with the mountains and valleys of
the Virginias through which the
Chesapeake & Ohio passes. There
is nothing of historic interest in
America as great as a trip through
the Virginias, and there is no other
railroad in America superior to the
C. & O. in the smoothness of its
tracks; the F. F. V. Vestibuled
Limited being one of the famous
trains of the world. The Ches-
apeake & Ohio passes through Bull
Run, Manassas and other noted
battlefields, and is in all respects
the best route from the West, North-
west and Southwest, to the Na-
tional Capital.

For copy of "Virginia in Black
and White," free, and full infor-
mation regarding rates and train
service, address C. B. Ryan, Asst. G.
P. A., Cincinnati, Ohio.

A Good Thing to Keep at Hand.
(From the Troy, Kansas, Chief.)

"Several years ago we were very
much subject to severe spells of
cholera morbus; and now when we
feel any symptoms that usually
precede that ailment, such as sick-
ness at the stomach, diarrhoea, etc.,
we become seary. We have found
Chamberlain's Colic, Cholera and
Diarrhoea Remedy the very thing to
straighten one out in such cases,
and always keep it about. We are
not writing this for a pay testimo-
nial, but to let our readers know
what is a good thing to keep handy
in the house." For sale by Estill
& Honaker.

Among the incidents of childhood
that stand out in bold relief, as our
memory reverts to the days when
we were young, none are more
prominent than severe sickness.

The young mother vividly remem-
bers that it was Chamberlain's
Cough Remedy cured her croup,
and in turn administers it to her
own offspring and always with the
best results. For sale by Estill &
Honaker.
